

**Don't let this pic fool you.  
There are great things inside!!!**

S: Well, Hutch, here we are! At last in paradise!!!

H: A well deserved vacation...

H: How about looking for a good place for a good rest???

S: Seems that way would be the right direction...

H: OK, then. Maybe on the other side of this river, we'll be completely alone.

S: Hmm, I can't see anything on the other shore. Maybe you're right, Blondie.

H: Just follow me...I'll show you what's paradise .

S: OK, my boy-scout!!! Let's go, then. This sounds like a plan to me.

S: Are you sure this is the only way??? I don't want to get chilled.

H: Come on, don't complain, water's great!!!

S: Yeahhh. I thought it'd be cold.

H: Hmmmm, there are great sites, Starsk. Those bushes look good...What d'you think?

S: I'll follow you anywhere, Blondie...I'm all ready for you!!!!

S: OK, here we are!!!! Let's not waste more time, Hutch.

H: Oh, no...Wait!!!! We're not alone, Starsk!!!!

S: Where did they come from???? Did IA send them to follow us????

H: Hope not, Gordo. Or we'll have big problems when we're back.

*Well, this first attempt didn't work right.*

*Let's see the second chance...*

S: Well, Hutch, hope this time things go better.

H: I don't think there'd be anybody on this side of the island.

S: Hope you're right this time...

S: D'you think we could get up there???

H: I know you don't like this kind of adventures, Starsk. As well as you don't like forests and the animals that usually live there...But if we want some peace for ourselves, this is the only way...

S: You'll have to pay hard for making me go through all this, Blondie

H: Don't worry, Gordo...It'll be worth the effort...

S: Shhh...think I heard something...

H: Don't be silly...There's nobody up here...

S: Are you completely sure???

H: Could you please stop!!! There's nobody to interrupt us and finally get to what I want and I'm sure you want too...

H: Come here...No more waste of time, Gordo!!!

S: Hey!!! Wait a minute...

H: No more waiting...I want you...NOW!!!!

S: My God I've never seen you this hot, Blondie...

H: There are lots of things you don't know about me, yet...

S: I'm dying to find out!!!

S: My God...Ufff, Hutch what a surprise...I really loved it...

H: And this is just the beginning...You just wait and see!!!

S: Hmmm...Think Dobby will agree on some more days off???

H: Don't worry about it...We'll find the time to do everything we have to do...

S: Hope so, Blondie...I surely hope so...

THE END
